Work Experience

Currently:

Freelance Character Animator and 3D artist.

Animation Lab:

June 2008 – January 2009

Position: Character Animator on a feature film project. I had been part of the pre-production phase, creating animation tests that define movement style and personality for the film's main characters.

Freelance:

March 2008 - May 2008

Eatliz "Hey" project. (www.eatliz.com)

I was in charge of half of the animation and most of the layout and camera work on this action packed 3 and a half minute CG music video.

Crew 972: (www.crew972.com)

August 2005 – March 2008

Entered as Character Animator, and on February 2006 continued as Lead Animator, on a direct to DVD interactive feature for "BRATZ".

At Crew 972 I worked on a variety of projects such as TV series, commercials (for Israel and the US), TV Bumpers (for Sci-Fi channel) game cinematics, feature films and short films.

As lead animator I supervise the team's work, making sure they meet the expectations of the director/client, and follow the needs of the project.

I managed the work plan, assigned shots and communicated with the clients abroad.
