To whom it may concern,

I am happy to recommend Talia Shapir to you. Talia worked at my studio as an Animator and digital artis for two and a half years. Talia showed impressive control of animation techniques, and was a delight to work with on a professional level. She is a mature and responsible team player, showing attention to detail even under difficult deadline pressure. This dependable and creative problem solver will be an asset to any employer, and I'm confident she will exceed their expectations.

I sincerely hope to work with Talia Shapir in the future, and until then wish her the best of luck in her endeavors.

I am happy to provide further information in person.

Sincerely,

Alex Orrelle
President, Crew 972 Ltd.
